Let us discuss how we can promote Patriotism within our organization and to the American Public. This needs to be accomplished with great care in that we as an organization do not violate anyone's Constitutional rights or condone censorship.

Let us educate the public on the importance of Patriotism and Americanism that promotes pride in our Country. We can do this by discussing the history of the American Flag, the meaning of the colors, and what our flag represents. We can also teach how being involved in our communities also promotes Patriotism. Our civic duties help make our Country great for all Americans. Let us teach how the Pledge of Allegiance exemplifies patriotism and the meaning of the Pledge of Allegiance. These are just some of what we can do.

Let us continue the vision that the Grand Army of the Republic has for us.

Yours In Fraternity, Loyalty, and Charity.
